RESULTS AND SCREENSHOTS

A fully functional creative portfolio website was successfully developed.

The screenshot shows a dark-themed contact form. At the top, there is an input field containing the email address "manikandanmarioj2000@gmail.com". Below it is a button labeled "Contact me". In the bottom right corner of the form area, there is a note: "Thanks Gowsalya! This demo does not send emails. To accept messages, connect a backend or a form service (Formspree, Getform).". At the very bottom left of the page, there is a purple button with the text "Send message".

CONCLUSION

A creative portfolio website was successfully designed and developed.

Features like resume download, project showcase, and contact form add practical value.
